Megan Hamer	Ocala, FL	2014-03-28	I've lived in Ocala most of my life and have always looked forward to summers to attend Wild Waters. I've created fun memories as a child and hope to make the same ones with my children. My family and I are returning to Ocala after living in Orlando for a year. Wild Waters is just one of those landmarks that Ocala will always be known for. Where will our kids splash around and have fun during the summers? Orlando? No thanks! We prefer the peaceful and safe community of Ocala. Please don't take that away from Ocala families!!!!
Miriam Wade	Ocala, FL	2014-03-28	I spent many happy fun-filled summers at Wild Waters with my 3 sons and their friends. I want other young families to be able to experience the same joy that we did!

Rachael Wright	Ocala, FL	2014-03-28	I went to this park a lot as a kid, and now my son loves to spend time here. It's safe, and familiar, and ideal to let him cool off over the summer. Having to drive an hour or more now to get to a place he can do this would be impossible for us.
John McEarchern	Ocklawaha, FL	2014-03-28	The jobs and the entertainment value are needed.
Brenda Rutter	Ocala, FL	2014-03-28	Not only would this put many teens out of a job but deny many of good clean fun!
Kristen sorensen	ocala, FL	2014-03-28	My son loves to go there and it is a great family day. WE have been going for over 10 years!!!
stacey merritt	ocala, FL	2014-03-28	There is very little to do in Ocala and there are families that can't drive to Orlando to go to water parks there. This gives our community and surrounding small towns somewhere to go and cool off safely in the summertime and gives jobs to local retirees for extra money and jobs for students also.
Stacey Berry	Ocala, FL	2014-03-28	Because there isn't anything else for these kids to do in this podunk town!
joanne kerswill	ocala, FL	2014-03-28	because i will some day have grandchildren that i will take their as i did my own child when she was young
Shanna Williams	Ocala, FL	2014-03-28	Wild Waters has been a place for me and friends to go since we were young. patricia wilson	lowell, FL	2014-03-28	I take my son every summer and we have tons of fun. Yes we have city pools but they don't have rides and its no where near as much fun
Dana Goodfellow	Warren, MI	2014-03-28	I met my husband on spring break here! He was a lifeguard & I was a tourist visiting my grandparents back in 1999. I want to take my kids to the place where my husband & I met. It's a part of my family history so many happy memories!

Jaimie Petellat	Citrus Springs, FL	2014-03-29	I have gone there many of times as a kid and would love to take my children there sometime.
Tony Sabatino	Ocala, FL	2014-03-29	The closing of this operation will only serve to usher in further economic decline, and display an utter lack of omnipresent in community leadership, and participation.
chris giannotta	boynton beach, FL	2014-03-29	I grew up in Ocala from 1yr old - 13yrs old. Wild Waters was our summer fun for all of my childhood. I have many fond memories of Ocala as a child. Juliana Pollard	Crystal River, FL	2014-03-29	I have been going to WW every summer since moving to Florida in 1994. I now have two young kids of my own, and they have been every summer as well. We'd be so sad to see this park go. The kids have already been asking when it opens.
Cynthia Lefebvre	Ocala, FL	2014-03-29	been going there for years.. My son has been afraid of many things and one day I pushed him down the tube ride in the front and he was forever grateful that i did. He waned to go again and again and again.... thanks for the memories and hopefully more to come.

Sheila Jimenez	Ocala fla, FL	2014-03-29	It's a great place to go with your family during the summer
Melissa Tannee	Lake City, FL	2014-03-29	This is a place we spend our summer at with our kids and grandkids
Nancy Hamilton	ocala, FL	2014-03-29	Palace Entertainment destroyed these parks by not taking care of them. Our city has a chance to create revenue outside of taxes by keeping these parks maintained. I truly believe it would be a shame to let this park be a thing of the past. Also, if Palace Entertainment was so broke why is it buying seaworld? http://www.miamiherald.com/2014/03/28/4023351/california-the
Amanda Singletary	Ocala, FL	2014-03-29	I've lived in Ocala my entire life. It would be a shame to take this small joy away from future generations. Plenty of memories. It was affordable for all. Can you say that for other water parks? Not to mention the gas saved. In turn also saving money. Please reconsider and bring this park back to life. Thank you.
Lacy Thompson	Ocala, FL	2014-03-29	Looking forward to bringing my son here. It is one of the best summer places here in Ocala to have fun with your family. Don't want to see it shut down.
Jason Nicholas	henderson, NV	2014-03-29	I grew up in Ocala and have awesome memories of childhood thrills at that park! Probably the first one I'd ever been to, before graduating to Wet'N'Wild in Orlando. Point being we shouldn't deny future generations the convenience and thrill of using such a great place. Would seem like a waste of good art and craftsmanship... Why not do some improvement on the park-- hey, it may just bring more money to the city! It'll definitely open up some jobs.
Stephanie Martin	Ocklawaha, FL	2014-03-29	I used to go here when I was a child and now my fiance (who also attended as a child) bring our children there for summer fun. Love this place!!
Christopher Kennard	Ocala, FL	2014-03-29	My son went there as a child alot and it was a great safe place to have him go while his father & I worked.
Maxine Mora Fredericks	Deltona, U.S. Outlying Islands	2014-03-29	This is where my kids would go for safe fun.
Jennifer Griffiths	Belleview, FL	2014-03-29	This park has been here most of my life. My children enjoy going & to close it would be devastating to our community.

Chuck Etheredge	Fort McCoy, FL	2014-03-29	I first started going to Wild Waters since 1979. I took my children there, and I'm looking forward to taking my grandchildren there also. We don't need another bicycle trail, walking trail or horse park.Come on state of Florida, put your big boy pants on and do something aggressively to save this water park for our enjoyment!
Megan Brackin	white springs, FL	2014-03-29	We love Wild Waters its a place my family can have a wonderful day together and we can take all our kids.
Vanessa Connor	Melbourne, FL	2014-03-29	My mom brought me up to see my best friend when I was diagnosed with a blood disorder I was supposed to die from. I was sick and on chemo and hadn't had a good time in months. The memories we made and great day we spent here was almost one of my last. This may I will be in remission 11 years. I would love to go back. Hopefully it stays open for us to go back.
Gloria Scott	Gloucester, VA	2014-03-29	This is the place where everyone would go. Even after I moved out of state, we would still go to Wild Waters when we came home to visit.
Shana Alums	St. Petersburg, FL	2014-03-29	I worked here three summers about 20 years ago and was the best time of my teenage years!
Patricia Tomasin	Ocala, FL	2014-03-29	A place to call our own

Cynthia Steele	Fruitland Park, FL	2014-03-29	This is the only place close to take my kids to swim with water slides and not the craziness of Orlando or the gators in lakes
James Primeau	Ocala, FL	2014-03-29	A place for kids. Keeps them out of trouble. A Place for family fun. Memories that last a lifetime. I could go on and on!
margie irene	boynton beach, FL	2014-03-29	its a place my family loves to go
Ginger Fink	ocala, FL	2014-03-29	its a place for family's to go in the community
Crystal Campbell	Orlando, FL	2014-03-29	I grew up in Ocala. Wild Waters and Silver Springs are both a staple in Ocala. As the petition already states, there is little to nothing to do in Ocala already. The water park is one of the few places to take your family on a summer day, as well as a safe place for teenagers to attend, rather than roaming the streets an getting into trouble.It would be an utter disappointment seeing Wild Waters closed. What would be offered to the community in exchange?
Melissa Merriweather	Ocala, FL	2014-03-29	Wild Waters was a focal point for me as a teenager, as I believe it is for many teens now. With the limited supervised activities available

			to youth in this town, I believe it would be detrimental to remove yet another clean environment for our children. What alternatives might they find?
Val Spadoni	Ocala, FL	2014-03-29	I like the park its one of the only things in ocala that give kids things to do. If the park is closed kids will have nothing to do and start finding things to do that can get them in serious trouble an cause problems. Reason why most illegal activity happens amongst. Kids is due to boredom and lack of recreational activity.
Susan Clements	Atlanta, GA	2014-03-29	one of the only places left to have family fun around
Martin Zeiman	Ocala, FL	2014-03-29	Don't want to go to Orlando for fun.
Cheryl Bakker	Crystal River, FL	2014-03-30	It is a favorite summertime family gathering spot, close enough for all of the kids and grandkids to get together. We began coming there on Spring Break when we lived up north, but have been coming as FL residents for over 20 years.
Lisa Murnahan	Fort White, FL	2014-03-30	That's a great place to go and have fun with the family. We love it there. P please don't close it. Generations have gone there for years. You can't just take it away. Families look forward to going there every year.
keith fromal	Ocala, FL	2014-03-30	My three year old son should be able to enjoy this Ocala landmark the same way both of his parents did as children.
Debbie French	Decatur, IL	2014-03-30	I went there and worked there when I was younger and I think it should stay there for many more years to come. It's a fun place and a safe place for kids and adults to go to. Taking this away would be terrible.
misty hornbeak	Ocklawaha, FL	2014-03-30	I have great memories here..my husband asked me to marry him there and I love this placr...
Jennifer Wolfe	La Vergne, TN	2014-03-30	This park has built endless memories in my life and now my children's lives and my family before me. Generations of family fun, a wholesome place that promotes outdoors, unity and family fun.. It would be devastating for all of Marion County if this too was torn down.
sage Davis	Ocala, FL	2014-03-30	there is little to no activity to do during the summer in ocala and taking away wild waters will devastate several children and parents that have been attending the water park since they were kids so there fore I believe that wild waters should remain open for families to enjoy
Mike Fitzgerald	Rapid City, MI	2014-03-30	Me and the kids drove by and wanted to go but the people we were with couldn't stop! So we want to go and enjoy the park! When we ask locals about where to go sight see this is the place everyone said! So we're super excited to visit it this summer!!! Thank you
Elizabeth Boris	dunnellon, FL	2014-03-30	We are a community that still has not recovered from everything. Closing Wild waters would just be another nail in the coffin!! Many memories have been made at the park. And hopefully many more!!

Joshua Penuel	ocklawaha, FL	2014-03-30	would love my kids to have as much fun there as I did, it is one of the few things left in this town for the youth to have and keep out of trouble.
KRYSTAL HOWARD	amanda, OH	2014-03-30	I am signing this petition due to the a water park is a great place for me and my family to go and it is close to my home. The water park beats going to the beach which is over an hour away any day. They have to keep this park open it is wrong to close it. Florida is a place that is limited on jobs it is very hard to find a job and doing away with those jobs at the park is wrong but look who wants to do it the state people of florida the people that dont have care in the world they make way over the wages that us little people do not trying to offend anyone just trying to make a point. They have the money to travel hours from home to be the water they just need to keep the park open. Hell they could keep the park open lower the daily emission rates and raise the membership fees it would work.
Marion Phillips	Ocala, FL	2014-03-30	this is a great park for parents with families or for people to have a good time if this closes you are forcing us to go to other places that are not even close by. My kids loves going there for the summer as I did. this is the only park in marion county and your taking all the fun away from kids by closing, there is nothing fun any more for kids to do.
Stephanie Groucke	Ocala, FL	2014-03-30	That is one of the few things our children have for entertainment. Dont take that from them!!!!
erin crosby	astor, FL	2014-03-31	my children learned to swim there. I lived in silver springs during the 80's and worked at the silver springs attraction in the gift shop for a few years. I always take my granddaughter there in the summertime. please keep the park open.
Cheryl Demary	Ocala, FL	2014-03-31	Two of our children have been lifeguards there for years. A great and fun place to work. They ate really disappointed the park hasn't reopened. All guards would have been trained by now and ready to work. So many families and camps have enjoyed the park. Please keep it open.
jacki henne	fort mccooy, FL	2014-03-31	i went there when i was a kid,i worked there when i had my kids and now i take my grandchildren there

Valerie Shuhart	Silver Springs, FL	2014-03-31	It's about the only place the kids have to go. Now that they closed one of the bowling allys.
Shawn Smith	Sarasota, FL	2014-03-31	Grew up in Gainesville and have friends in Ocala. Great place for families to have a great day making some fun water filled memories.

Summer Ledbetter	Ocala, FL	2014-03-31	It is a place where my family and I go on a hot summer day. You can take the kids or brothers and sisters to enjoy the day. I believe wild waters should stay for all the kids and families in ocala fl
Terry Quesnel	Silver Springs, FL	2014-03-31	This is one of the few places where my kids can go and cool off for the day and have a lifeguard in attendance. The water park has been a staple in the community for many years and it's something families look forward to. Losing the water park portion of the Silver Springs Park experience would give just one more reason for people to not go into the park at all.
Christopher Kinder	Jacksonville, FL	2014-03-31	been here since I was a kid, one of the very few fun things to do in this town!
Vicky Owens	Ocklawaha, FL	2014-03-31	This is one of Ocalas only place for families to take their children over the summer, it would be really sad to see it close. Our teens need a place to go for summer work .Keep it open !!!!!
rusty bearce	bellevue, FL	2014-03-31	I would think we need to keep and protect what family things there are left in ocala and a safe place place for our children to go during the summer,its no wonder ocala is 14th in the nation of smaller citys with the highest crime,, we have nothing left to offer our citizens and children, in this city as it is, oh and yes lets just delete just a few more jobs in marion county, ,, "Rusty"
Maria De la rosa	Ocala, FL	2014-03-31	I have been coming to Wild Waters since I was 12 Yrs old. I am now 34 and my own children enjoy the park as much as I did when I was a kid.

			Waters too. Come on people, we do live on the very hot state of Florida. Wild Waters was always busy. Besides, if you keep closing everything there is to do in Marion County, the kids and teens will turn to violence and crime. I saw this happen in the town I grew up in. Believe me, it took years to get that town back on track to the good side. KEEP WILD WATERS OPEN!!!!!!
thomas leway	silver springs, FL	2014-04-01	Listen it is a place for all ages to go we all have a story or two of how we grew up in that place. I have been bringing my kids now for 20 years. It is a shame it is run down and need repairs. What it needs is too rollback time and bring it back to its glory where we had picnics in the park we rode the rides until we couldnt go anymore. Time to make it with the way it was in time
Amberly Snapp	Ocala, FL	2014-04-01	Economical entertainment to buy a year pass and see concerts and enjoy the water park all summer. Great for kids to play and stay safe and out of trouble. Many years of fun and wonderful memories.

Beverly Jones	Wildwood, FL	2014-04-01	For many years, we have taken our children & grandchildren to Wild Waters, and have great memories of that beautiful, family oriented recreation spot. Very few places like that are left, and our families of today still need it desperately! Not everyone can afford to drive to Orlando for a water park. PLEASE SAVE WILD WATERS! We love it!
Kristine Armstrong	Cleveland, TX	2014-04-01	Children and Families need more family oriented places to spend time with each other and make lasting memories to pass down for generations.
Nicole McComas	ocala, FL	2014-04-01	I spent ever summer here as a child and I want my children to have the same
Christina Johnson	Ocala, FL	2014-04-01	Since i was 4 years old, Wild Waters has been a part of my summer, EVERY year of my life. Even when my family moved ot Hawaii and California, when we came home every summer to visit the family, we always made a trip to Wild Waters. Part of why I now live in Ocala is because of Silver Springs and Wild Waters, and I would hate to see it go, along with the summer jobs of those who work there. Our county has enough hardships with so many unemployed already, why add to that number?
T. Jones	Wildwood, FL	2014-04-01	It is a nice facility for families to visit.
Martina Lumb	Silver Springs, FL	2014-04-01	We need a Spring fed water park,keep it open ..it is the ONLY place families have locally to cool off in the summer time and THE PARK will be very quiet without a place to cool off !!!

Steven Wenk	Ocala, FL	2014-04-01	We have been going to Wild Waters every summer for 16 years. My kids, young and older, all look forward to it. They will have part of their summer and childhood taken away if it closes.
Christina Owens	bellevue, FL	2014-04-01	Keep things for families in our own town and we will stop giving having to go others!
Kathryn Boyd	Morrison, FL	2014-04-01	Great opportunity for employment for some individuals, not to mention great family fun and memories made there!!

Tina Johnson	Ocala, FL	2014-04-02	Wild Waters is such a Land Mark here in Marion County and it is a fun safe place for families to go cool off and spend the day at. It is also a great place for seasonal employment for all ages.My mother worked at both parks when I was very young and I carried that tradition over when I worked at both parks myself. I loved going as a child and my children loved it to. Ocala citizens need to have our voices heard.

Shawna Sullivan	Ocala, FL	2014-04-02	The kids need somewhere to go during the summer, without this there will be nothing!
Angela Leece	Ocala, FL	2014-04-02	Very few places to frequent for family summer fun. The closing of an establishment that has been around for so long would not only be a sad sight , but in my opinion detrimental to Ocala in numerous other ways.
David Burke	Ocala, FL	2014-04-02	Save Wild Waters or Ocala Fl
Sara Bobbitt	Silver Springs, FL	2014-04-02	It employees people, it is a favorite for all and this park needs to generate income instead of our tax money.

Michelle Bailey	Ocala, FL	2014-04-03	I have taken my step children here, and my grandchildren. It is a family tradition, something local and fun for us to do each summer. it would be a complete shame to take away a place that has made so many ppl happy over the years. Please restore this park and open it back up for all of us to continue enjoying for years to come.
ALICE TAYLOR	GAINESVILLE, FL	2014-04-03	About the only family oriented fun that can be done with in distance
Titus Lea	Ocala, FL	2014-04-03	I met my wife at Wild Waters & have been married now for 12 years.... So many people go there to enjoy the hit summer days, including my own two boys...it doesn't make sense to close it. Its not like you need the real estate, there is plenty more around without tearing shit down.

Lisa Reed	Ocala, FL	2014-04-03	Ocala's doesn't offer much of anything for our youth. It would not just be great for our families/youth but also if it is maintained properly the income from tourist would be great for our community!

tamara brzezinski	bellevue, FL	2014-04-03	We the People, take time off work to go to Silver Springs for our children to have a great time at the water park and to be educated in our beautiful surroundings here!
Evelyn Baumes	Deerfield Beach, FL	2014-04-03	Wild Waters has been a staple entertainment for 3 decades. Let's keep this landmark open. Perhaps appeal to Wet & Wild owners out of Orlando. They have the ability to refurbish and make this place even better.
Clint Willoughby	Ocala, FL	2014-04-04	Let's family n kids have their water park Ocala is boring city as it is already just sayin thanks
Kimber Clark	Ocala, FL	2014-04-04	I used to work there. I always had fun here as a kid. Id miss it if it was gone
William Hilliard	silver springs, FL	2014-04-04	we need a place for the children and for us to cool off in the dreadful summer
Ethel McDonough	Brunswick, ME	2014-04-04	If the community supports it and it is a means of recreation for many of all ages...what good reason would there be for closing it....unless there is some greedy (and profitable for a few people) venture in the offing.
Samantha Harris	Ocala, FL	2014-04-04	Because it has been around for years. It is a family park. Something fun to do without driving to another town.
Julie Re	Crossville, TN	2014-04-04	I was born in Ocala, FL and my sister and I went to this park every summer! It was always so much fun and we made a lot of friends and memories. Don't demolish or close it!!!! Where will kids go to have clean, safe fun?

Michelle Kelley	Chesterfield, VA	2014-04-05	I'm from the Ocala area and have went to Wild Waters plenty of time growing up. There isn't alot for families to do in that area. Closing down another family friendly attraction is doing a disservice to the families of the Ocala area.

Tina Holton	Silver Springs, FL	2014-04-06	There isn't much family fun activities to do in this town and the kids really enjoy the slides and water park. Taking wild waters out would take away so many jobs that open up during the summer months. Why take a park away that everyone lves going to have fun at just to leave the land open.
David Tyler	ocala, FL	2014-04-06	I worked there for several years and know the importance of the ark to the community.
Liz Longfellow	Ocala, LA	2014-04-06	I want my grandkids to enjoy what there parents did as kids. And what do you expect kids to do get in trouble, or enjoy them sells. Christia Faver	Silver Springs, FL	2014-04-08	This is a place of many memories and place for families to come together. This is the one place for the people of ocala to bring their kids without having to go all the way to daytona or orlando. This also puts a damper on our already hurting economy by not providing the jobs that many would look forward to in the summer time.
Anna Carson	Ocala, FL	2014-04-08	i grew up in this park every summer
Kacey Karman	ocklawaha, FL	2014-04-08	Because its the only place for kids and teens to go for summer
Jen Centers	silver springs, FL	2014-04-08	This is one of the few remaining places to take our children. If you take this. Ocala becomes a purely equine city. While some love horses, that means that there'll be nothing to do with your children. Children need a place where they can get wet and have fun. Closing WW is a mistake...
Tammy Richardson	Hopewell, VA	2014-04-08	that's a place for the kids lets not take it from them
Timothy Heier	Crossville, TN	2014-04-08	Everybody needs somewhere fun to go! It also keeps them from getting into trouble by having nowhere to go to blow off steam and just have a blast!

Jonathan Miles	Tampa, FL	2014-04-09	If you take wild waters away from us not only are you taking our water park away your taking the jobs away, secondly there is absolutely nothing to do in ocala and everyone looks forward to summer time bc of this despite we all hate the heat we have wild waters to look forward to and everyone loves it and it's the only thing good in ocala left that ppl can take there family and kids plz dont take it away from us

Christy Williams	Athens, GA	2014-04-14	I grew up going to Wild Waters and I still take my kids. This is a very family oriented place and it would be a disgrace to see it gone
Emory Brigman	Homosassa, FL	2014-04-21	It has been a summertime fun tradition for as long as I can remember.
Michael Fowler	Belleview, FL	2014-04-21	I went there many, many times when I was younger and now I have 2 kids that I want to have that experience. There needs to be more for young kids to do in this town than horses!!!
Jennifer Sutton	Palm Bay, FL	2014-04-21	I grew up in Ocala and wild waters was a summer time tradition. Many of my friends had jobs there. To take wild waters away from the youth of ocala would likely push them into trouble by not giving them a place to go/ hang out that is supervised and safe. Don't close wild waters! !!
Samantha Harley	Utica, NY	2014-04-21	I grew up in Ocala, and that was the one thing to look forward to during the summer. Besides the fact that so many people would out of jobs it's not right!

Robert Champagne	Dallas, TX	2014-04-24	It's good to be able to bring my son back to a place where I was able to spend most my summers growing up. Not to mention have an awesome job later on in life. Ocala, you have made a lot of mistakes, most recently not being able to resolve bringing baseball to your city. Don't make another mistake and let the last bit of fun slip away.
glenn pauling	ocala, FL	2014-04-24	I have been going 2 wild water 4 30yrs and I love it.
Cynthia Diaz	Ocala, FL	2014-04-24	it is important, because there is so few attractions and activities for our youth in the Ocala Area.
Kelly Crofoot	smithdale, MS	2014-04-24	This is what happens when the state or government get involved. Stupid decisions get made. Wild Waters is part of Ocala. When we lived in Florida, we got summer passes and went several times a week. The community will not be the same. I am sure the state has plans for the property. Nothing could be better than Wild Waters.

Elaine Strickland	Orange Springs, FL	2014-04-24	There are so many children out of school in the summer months and if the state takes it out where will the children be able to go and be able to have fun plus get cool while doing it? It's not like the state will be loosing money.
shani bleam	summerfield, FL	2014-04-24	this is a great place to take your family and have a safe and fun day at a resonable price. It's local and is a wonderful place to be.

Michael Mulwee	Ocala, FL	2014-04-24	The families and their kids will have no where to go to spend together swimming tanning they have already took silver springs now they want to close the only dam thing left come on what will people have to do this I think will cause more trouble for kids to get into by them not having things to do please keep WILD WATERS open !!!!!!!!!!!
michael iturrey	Ocoee, FL	2014-04-24	I was born and raised in ocala. I grew up going to wild waters during the summer. Id like my kids to be able to do the same. MARY MCGILLIVRAY	OCALA, FL	2014-04-24	Because its local & what Grandmother wants to drive almost a 100 miles to take to take her grandchildren to a water park,not to speak of all the horrible traffic around ORLANDO. We need to keep our LOCAL WATER PARK for our community.

yvonne fisher	trenton, FL	2014-04-24	Love taking my nieces and nephews. Great day outing.
Thomas Piper Jr	Jacksonville, FL	2014-04-24	Are you kidding me? What are you people thinking??? If you got your way it would close and then just sit there as a blighted property. BRILLIANT!!! The only thing worse than this suggestion is that you're getting paid with tax payer dollars to come up with garbage like this. GO AWAY!!!
Brianna Fuller	Florahome, FL	2014-04-24	Wild Waters is my kids & I's summer escape. We love it!!!
Wendy Morris	Ocala, FL	2014-04-24	Wild Waters has been a part of my family for many years. It offers a great place for children to socialize and get in a lot of physcial activity during the summer months. It's nice and convenient to have such a park in your own town.

Kerri Bradley	Ocala, FL	2014-04-24	So many kids use this as a place to hang out during the summer. If we close it the kids will have no where to go and get in trouble. It is a land mark and people come from all over the state to visit Wild Waters because it is not a stand in line park.
Margret Corbett	ocala, FL	2014-04-24	Because I want to share these memories with my daughter since silver springs has already been taken away
Melody Rossi	Gainesville, FL	2014-04-24	It is the only water park of it's kind in the area & families have been enjoying it for years, LEAVE IT BE!

Shirley Maxwell	Newberry, FL	2014-04-24	Wild waters has been a place where we can take our children for family fun and enjoyment. We live around the Gainesville area and there is very little else for families to enjoy. Asking to please keep open. We celebrate our children's birthdays there each year. Our granddaughter gets so excited as her birthday draws closer as she knows we will be going to Wildwaters.

roberta cash	ocala fl, FL	2014-04-24	It is part of our Ocala History, Family History, Visitor History. People from around the World have visited. Thank You
Karen Smigielski	Raleigh, NC	2014-04-24	Close to home for the kids to keep cool!
Sherelyn Savage	Ocala, FL	2014-04-24	Our children enjoyed WW when they were young, grew up to work several summers there as life guards, & our grandchildren enjoyed WW & are asking why they can't go now. It's a shame!
Zina Booth	Ocala, FL	2014-04-24	Why are they taking away recreational opportunities in Ocala? There are plenty of nearby parks with springs for swimming, but this is the only water park in this area. Please do not remove Wild Waters!! I feel a lot safer playing on a water slide than swimming with gators!
Tyler Martinez	Umatilla, FL	2014-04-24	I was a life guard there and taking it away is taking the smiles from families that are there together enjoying their summers.
Dwayne chavis	The Villages, FL	2014-04-24	My family visits every couple of weekends all through the summer. We prefer Wild Waters to the big parks in Orlando because it's more personable staff and easier to get in to enjoy our weekend. We usually spend the night in Ocala so we can enjoy the park both Saturday and Sunday
Renee Harris	ocala, FL	2014-04-24	it brings a lot of business to Ocala area. some restraints depend on that business

Krystie Harward	Ocala, FL	2014-04-24	families can go there for fun, it does get hot here and a water park is an affordable place for families to take their kids
Nicole Pratt	Anthony, FL	2014-04-24	Ocala is large enough to support a water park activity center. Even Emporia, KS (pop 25K) has one! Keep the money local instead of driving to Orlando for this type of fun.
Clint Robinson	Casselberry, FL	2014-04-24	This is the only attraction Ocala has. Removing it, forces citizens to drive to Orlando which, some cannot afford. Save Wild Waters!

April Ross	Cross City, FL	2014-04-24	I have fond memories going there as a child and would like to experience the same with my son.
heidi winget	ocala, FL	2014-04-24	it's been a summertime tradition for me and my family.
Greg & Jean Engler	Ocala, FL	2014-04-24	Closing this attraction and then having hundreds of people swimming in the springs itself will only last long enough until someone declares the swimmers as a major source of pollution. The next step after that would be to close the park to all humanity except for the lonely rangers who are there to see that no other humans sets foot on the land . It will become another "playground for the few".
ashley walsh	Hawthorne, FL	2014-04-24	I take my kids there every summer n I have always went as a child with my family.It gives people a place to go and enjoy the day as a family.
Lacy Renfroe	Fort McCoy, FL	2014-04-24	With out wild waters Ocala has nothing, our economy is already bad, don't make it worse! I've worked there before and can tell you if you choose to close that's at least 30 jobs for Ocala gone! We need wild waters our economy needs it!!!

I have been going there for 20 years, and I hope it will still be around for my children and then eventually their children to enjoy. Thank You Wild Waters for years of memories.
janice rezendes	ocala, FL	2014-04-24	this is a wonderful place for family's and retired people to go
alicia vance	ocala, FL	2014-04-24	why would you take it away!
Samantha McClure	Seminary, MS	2014-04-24	I grew up in Jacksonville, FL, but we still drove to Wild Waters many times during my childhood. It was an affordable and fun place for families to go. I now live in MS, and sadly am too far away to visit regularly. On occasion I do travel to back to FL, and would love to be able to take my kids to Wild Waters, where I have such fond memories.
elizabeth dorrell	Duncan, OK	2014-04-24	Worked St the park when I was 16. I am now 26. Great place don't close it!

Patricia Lambert	Ocala, FL	2014-04-24	Our boys went there growing up. Today's kids should be able to go to a local water park as well.
Trent Reese	ocala, FL	2014-04-24	As a child I enjoyed going to Wild Waters. As a parent I have taken my children and they loved the park. We had a lot of fun riding the slides together or racing each other on the Silver Bullet. I believe closing this park is a mistake. In North Central Florida there are not very many places you can take your family for a day of swimming in a safe and controlled environment. The springs in our area are beautiful but you will have to put up with people that are smoking, inconsiderate of others, no life guards, not to mention the distance to drive to them.
Amber storey	melrose, FL	2014-04-24	my family loves to go there and swim and it has good family values. great place to make memories
Phillip Hooker	Summerfield, FL	2014-04-24	Because it gives families a place to spend a summer day.

Dianna Reed	Ocklawaha, FL	2014-04-24	Wild Waters is a local and state icon. It also generates jobs as well as a boost in summer economy.
Mark Camp	Ocala, FL	2014-04-24	This is and could continue to be a really nice asset for our children. If it can support itself and given a freshened up look I support keeping it open. Swimming in the river is not the same as Wild Waters.
Aleesha Freimuth	Ocala, FL	2014-04-24	Only place left for kids to enjoy summertime fun!
Effie O'Day	Ocala, FL	2014-04-24	Our family has enjoyed Wild Waters since it was first built. My nieces and nephews who live in Bradford county all spend much time here during the summer months, enjoying Wild Waters with their children, grandchildren, and their friends with their children..... They come here specifically to go to Wild Waters and consequently spend money in the Ocala area, eating, buying gas and shopping.. I think the effects of Wild Waters being closed will have a direct impact on the Marion County economy and will deprive all our youngsters from a very enjoyable experience.
Richard Livsey	FAR ROCKAWAY, NY	2014-04-24	Although I no longer live in Marion Country, while growing up there, I spent many days having a blast with my friends and family at Wild Waters. This water park is good for the community. Keep it open!
TONIANN DREGGORS	summerfield, FL	2014-04-24	i have 4 kids and its local and reasonable for a family of 6
Angela Dirlam	ocala, FL	2014-04-24	Taking away one of the FEW SAFE places our children can spend summer vacation is asinine. I understand many believe it is an "eyesore" but instead of closing the park, rehab it! Let future generations ENJOY what we all have growing up in Ocala.

Robert Gunn	Ocala, FL	2014-04-24	I grew up in Ocala and have went to Silver Springs and Wild Waters all my life. I remember both attractions in their glory days. We have already lost Silver Springs. Lets keep Wild Waters. I know its not the bigger water parks Orlando offers its Ocalas own.

Melody Hall	Ocala, FL	2014-04-24	We need somewhere to go to have fun with family in the summer. We need wild waters not nasty lake water. Shouldn't have to drive for hours to go to another town to have the same kind of fun that we can have right here in our hometown!!
Turkessa Leverett	Ocala, FL	2014-04-24	There are limited activities for our children and families in Ocala.
arnold bryson	hayes, VA	2014-04-24	It is WRONG that a hand full of unelected bureaucrats have the authority to make recommendations which would deny 1,000's in Ocala this Waterpark.The Silver Springs Advisory Group DOES NOT Represent the citizens of Ocala or our wishes. They have proven that they do not care about the majority of Ocala citizens wishes by recommending closure of this beautiful Water Park. The fact that thousands of people patronize Wild Waters each year proves people wants this park to remain open.
Alfred Ensley	Ocala, FL	2014-04-24	We may be in or 70's but we still enjoy the wave pool and slides.

Gail Powell	Ocala, FL	2014-04-24	Because it's going to draw even more people to the park and there would be summer jobs for the teens. and some recreational fun for the members of this county and Ocala..It just needs some T.L.C

Matt Giaimo	Ocala, FL	2014-04-24	Ocala needs to keep it's affordable family friendly resources.
Lori Bullock	Live Oak, FL	2014-04-24	This park is a part of Florida's history and a great place for families to go to for the summer. Also, closing it will knock out a lot of jobs and that's not something anyone needs during these hard times we're all experiencing now. Please reconsider this!
Monica Huff	Ocala, FL	2014-04-24	Ocala needs to keep it's affordable, family friendly resources.

JASHONTAE JACKSON	OCALA, FL	2014-04-24	IT IS IMPORTANT THAT WE KEEP WILD WATERS SO THAT THE KIDS WILL HAVE SOME WHERE FUN TO GO TO OVER THE SUMMER AND DO NOT HAVE TO TRAVEL OUT OF TOWN .
Sam Long	ocala, FL	2014-04-24	Family fun spots are needed
Deborah Preston	anthony, FL	2014-04-24	We need this in Ocala, please don't take it away. It is now a "landmark" as long as its been here. I am a big time nature lover and that is part of the reason I live in Ocala. With that being said, not everyone loves to great outdoors and swimming in springs. This water park is invaluable to Marion county for these people that don't want to actually swim in the springs, they must go to Orlando to take their children in a water park. We will be losing out on tourist revenue should the state choose to close this park
Angela Marcum	Sparr, FL	2014-04-24	This is one of only a few things that the kids have in Ocala. WHY take away something that so many love?
Heather Howell	ocala, FL	2014-04-24	I HAVE CHILDREN AND I LOVE TAKEN THEM THERE TO PLAY AS I DID WHEN I WAS GROWING UP
Robin Redfearn	Belleview, FL	2014-04-24	Wild Waters was a childhood favorite of mine, and it is/has been nice to have a place other than the mega-parks in Orlando to go to.
Curtis Snellings	Ocala, FL	2014-04-24	This establishment provided me with summer employment and income from high school into college. It, also, was a fun and enjoyable place to go as a child that I have fond memories of. This site provides an easy and accessible way for families in Marion County to enjoy a summer activity anyday of the week during its season, the next closest waterpark is 90min away. The income the park provides could be improved and maximized if it were continued to be updated, maintained and marketed correctly by individuals that possess those said talents.
Gina Steinbarger	OCala, FL	2014-04-24	my kids love this place. Only thing close to our house that is relatively inexpensive for a whole day of fun
doris boucher	Silver Springs, FL	2014-04-24	worked there for 7 yrs.& go there every season to swim.nothing else to do in Ocala!.
julie reno	Piketon, OH	2014-04-24	My grandparents lived in florida and when we would visit them every year, my parents took us to wild waters. It holds a special place in my heart and always will. I take my daughter there now, when we go visit my brother. It gives kids something fun to do, without paying a fortune.
Gail Engels	Ocala, FL	2014-04-24	I think Wild Waters is great for all ages..leave it open
Colleen Potter	Middleburg, FL	2014-04-24	Love it, keep it, don't want to go to Orlando!

Jill bennett Rhodes	Ocala, FL	2014-04-24	The children and teens need something to do in this town, that has less and less for young people to attend...
heidi jones	Dunnellon, FL	2014-04-24	I've never had the chance to bring my kids. And there no other water park close by!
renee hurst	interlachen, FL	2014-04-24	I use to go as a child then took my kids when they were kids and we continue the tradition and take my grandkids. We all love and enjoy it. Brings the family together for a fun family day
Christine Jasker	Silver Springs, FL	2014-04-24	This park does need a up grade and better maintenance, however for low budget families its cheaper to visit than the beach!
Erin Machin	Orange Park, FL	2014-04-24	because I grew up going to wild waters, and I would like to bring my daughter there when she is old enough just like I did. Love that place,
Lesley Jones	Titusville, FL	2014-04-24	I grew up going to this place, making memories with friends and working summers as a lifeguard. It's a tradition around this town and it would be a mistake to close.
Tiffany Warren	Silver Springs, FL	2014-04-24	I was born and raised here. I spent every week of my summers here, and have since had children, who have also. As you can see, we live in Silver Springs, and everytime we drive by it (daily), my kids ask why it has to close, and they are so disappointed. They cannot understand why someone would demolish it and not preserve such an important landmark to our community.
Miranda Zacarias	Ocala, FL	2014-04-24	I have 4 kids that enjoy going in the summer
Lucinda Rubin	Ocala, FL	2014-04-24	Wild Waters is a great, family friendly activity in the summertime. Please don't close this park!
Katharina Hall	Ocala, FL	2014-04-24	It is an area ICON and a very safe park for all the locals as well as Tourists. I have heard many comments that this is the nicest water park that anyone has ever been at because it has shade and it is easy to keep track of your kids. Feels very safe!
John Crace	Ocala, FL	2014-04-24	I have went to wild waters since i was 5 years old and now i am 31
Lynn Knottles	Ocala, FL	2014-04-24	I remember taking special family trips from Jacksonville to go to Wild Waters when I was younger. It would be such a waste to close this attraction. However, I do believe in order to remain open, an investment needs to be made to repair and clean-up the park. I believe the benefits out-weigh the cost. Ocala used to be home to other attractions like Six Gun Territory and Silver Springs. I would hate to lose our only remaining one.

Tom Shrewsbury	Keystone heights, FL	2014-04-24	I can't believe you would even consider closing this park ! Is it not enough that you have all but ruined Silver Springs ? We are sick of mindless bureaucrats dictating how we are to live ! Many people use this park and many more would if it was managed properly .
Kelli Johnson	Ocala, FL	2014-04-24	It been a great place for our children for years to go and have a local place with slides and wave pool where families that are less fortunate can be able to have the opportunity to have as much fun as families that can travel farther.
Sandra Cardona	Ocala, FL	2014-04-24	It is important to keep Wild Waters open because it gives children a place to go to for the summer close to home (ease for parents) It gives our community summer job opportunities. Just as it was mentioned before there is not much entertainment in Ocala as it is! Wild Waters if PURE innocent fun for families!!
Wendy Cox	Gainesville, FL	2014-04-24	There is hardly ANYWHERE for the kids of Ocala and surrounding areas to go. With a few updates, this place could be great again!!
Barbara Ordish	ocala, FL	2014-04-24	There is only a few places for kids to hang or swim during the summer months. This also has opened jobs to many kids during the summer months.
Sharon Feliciano	Jonesborough, TN	2014-04-24	Grew up going to that park, learned to swim there and went until I moved away in 2006. (At 26 yrs of age)
Maria Herrera	Ocala, FL	2014-04-24	When I moved to Ocala, ten years ago this was and it is my favorite place to go. My daughter and friends enjoyed every Sunday in the Summer, its just part of Ocala.
Judi Argana`	Ocala, FL	2014-04-24	It is a fun park for both children and adults. We need more activities to keep kids out of trouble and having fun. A season pass, at a reasonable cost, allows many families to have fun together.
Chad Hallmark	Apopka, FM	2014-04-24	I grew up enjoying Wild Waters - it's an important part of the community and helps kids have SOMETHING to do in a town with very little to keep them occupied.
Christina Winton	Waynesboro, TN	2014-04-24	I loved going there when I was a child, and I would love to bring my children one day.
Karen Hale	Rocky Point, NC	2014-04-24	My family and I have been several times and loved it! Don't tear it down :-{
Melissa Wat	Gainesville, FL	2014-04-24	ive been going to wild waters since i was kid now i am able to bring my children there its a great place to relax and very close.
Stevie Wiseman	Silver Springs,, FL	2014-04-24	I live in the Ocala National Forest, and there is nothing else around the Ocala area like this.. We took our son EVERYDAY last summer! Please keep it open..

Mary Falero	Melbourne, FL	2014-04-24	When we are in need of jobs, why close a place of employment?! Why take away a safe and fun place for kids to play? Would you rather they run the streets and do less savory things? As long as the business wants to stay open.. allow them to stay open!
doris lafferty	ocala, FL	2014-04-24	i have been enjoying it for the last 25 years
Melissa Ruiz	Ocala, FL	2014-04-24	Kids need fun things to do in Ocala this summer! The options are so limited!
Linda Kimmick	Dunnellon, FL	2014-04-24	We have a family day every year at Wild Waters. It is one place we can all go as a family that we agree on. Please don't close our family place
Julia Sloan	Poplar Bluff, MO	2014-04-24	I was born and raised in Ocala, moving away 6 years ago, I spent many summer days at Wild Waters, my kids even enjoyed it. Why take one of the few entertainment venues out. Let our kids and their kids make the memories just like we did of the summer days running around and sliding down the silver bullet and the Hurricane as many times as you could before lunch or seeing who could jump the most waves in the wave pool...
Hillary Davis	Melrose, FL	2014-04-24	I have bought Season Passes to wild Waters every Since My Children were little and now have purchased them since I've had my Grandchildren. There are NO Public Pools for Children or Adults for that matter to go to. Seems like The State just keep TAKING MORE AND MORE AWAY from our Children and RECREATION. Wild Waters has been an ON GOING Water Park for YEARS. WHY CLOSE something you can make your money back off of and the community enjoy. For God Sakes THIS IS FLORIDA and anyone in this area would have to drive to Georgia or Orlando to enjoy any water parks...SO SAD
Desiree Brookes	Ocala, FL	2014-04-24	Wild Waters has been a part of my family for over 20 years! We have had great memories there with our families. Please don't take that away!
Leticia Godette	ocala, FL	2014-04-24	I take my kids here
melissa sullivan	Gainesville, FL	2014-04-24	I grew up going to this park and now take my kids there. I would love to take my grandkids there one day.
WILLIAM SCHWINGEL	SUMMERFIELD, FL	2014-04-24	Our Church Youth Group used to go there when it first opened
Karen Bagent	Silver Springs, FL	2014-04-24	Our children in this community already have nothing to do around here other than Wild Waters so lets take this away from them and really give them nowhere to go...NOT!!! This is a safe place for our kids and grandkids to go and play and have a good time without driving to Orlando or Daytona. You can't go to the local so called beaches around here and and enjoy yourself anymore. Slocala is really going downhill when it comes to the younger generation.
Barbara Scallatino	Ocala, FL	2014-04-24	My family has enjoyed going to Wild Waters and Silver Springs for MANY years! I recall trips to Silver Springs as far back as the early 70's. My children look forward to summertime fun at Wild Waters!

Lyn Moore	Ocala, FL	2014-04-24	Ridiculous that we even need to sign this. As if Ocala has numerous other options of what family/kids can do for fun. WW is a staple for the spring and summer. We love our time there together as a family
Linda McDuffey	Cottdale, FL	2014-04-24	We love coming their. That was my very first job. You got to keep it open
Danitra McPhadden	Gainesville, FL	2014-04-24	My family has gone to wild waters every year since I can remember.
Tricia DeLeonardis	Ocklawaha, FL	2014-04-24	I havr been in Florisa since 1983. Wild Waaters is a very special relaxing place where we can have cool fun in the hot weather. Build another, better water park, or keep this one open!! People around Ocala NEED this place to remain open.

Pam Taylor	Weirsdale, FL	2014-04-25	IT'S GIVE THE KIDS A PLACE TO GO, ESPECIALLY DURING THE SUMMER!
coach jim haley	Silver Springs, FL	2014-04-25	Wild Waters serves a community of both adults & kids from Marion County. Just drive by every weekend & see people having fun. To use the excuse that it is too costly to repair is absurd as this recreational facility helps the residents that don't have pool homes. We have enough walking trails in the community. The largest weekend attendance comes from music concerts & wild waters. Do not take away one of the huge positives that serves our growing population.
Alma Robertson	Summerfield, FL	2014-04-25	As a resident of Marion county, I have always enjoyed visiting Wild Waters, and I believe it would be harmful to the local economy to get rid of one of the few attractions we have left here.
marna hendershott	ocklawaha, FL	2014-04-25	To give our children a safe place to go to swim in the summer and we need the income from the out of town visitors.
Monica Jones	Summerfield, FL	2014-04-25	It is the best place to take all of my grandchildren on a hot sunny day I do not feel safe taking them to the lakes.

We buy annual passes every year to both Wild Waters and Silver Springs. My parents took me there as a kid, and I love to do the same for my kids. Please do not destroy these family memories!

Adrian Terry	Ocala, FL	2014-04-25	The Water Park along with Silver Springs has been here for a very long time providing jobs for the youth as well as a place to go during the spring & summer vacations. Even a lot of daycares bring the kids during the summertime, as well as travelers visiting the area. Silver Springs & Wild Waters really put Ocala on the map!! I love this water park!

Nancy Bowers	Fruitland Park, Ukraine	2014-04-25	I have lived near Silver Springs and Wild Waters my whole life...held passes for both Parks for over 20 years. We have wonderful family memories of both of our children growing up and visiting those beautiful Parks. I would think that Wild Waters would bring in much more revenue for the State of Florida than just a regular State Park would. It will be very sad not to have it in our area.
Mackenzie Minimi	Salt Springs, FL	2014-04-25	This is a good fun family place, to bring the family. Please keep it open.

shannon dykes	Ocala, FL	2014-04-25	Taking away wild waters, would be a mistake for simple yet logical reasons....#1, there is little to nothing for people to do in ocala already, #2, is affordable, for people who struggle air for single parents,#3, if that is taken away... what do you think kids or people might possibly do out of boredom, it will keep people from possibly getting into some kind of trouble. And #4, not everyone can afford or has a vehicle, so being that their is bus transportation to walmart.....it would make it easier for people to get to wildwater....

Monica Urban	Ocala, FL	2014-04-25	The kids in Ocala will have no place to go!
Joanie Tucker	Ocala, FL	2014-04-25	There are not many places to take our children, grand children or families around the Ocala area and it would be a tragedy to see this park closed.
Mary Bates	Ocala, FL	2014-04-25	We go on the week days all summer . Keeps the kids busy and happy!!! Gives them something to look forward too!!! I don't know what we will do with out wild waters. The beach is to far!!!! All the springs are to busy and over stuffed!!

Jessica Baker	Ocala, FL	2014-04-25	So many memories there, and a wonderful place for my children to experience...better than having a pool party for birthdays and other special events
Christine Stopka	Gainesville, FL	2014-04-25	Closest water park in the north central Florida region! Plus, affordable...glad to help the local economy...and having water access at the new state park does NOT replace Wild Waters! There will be NO water slides or warm pools for children to learn to swim! KEEP WILD WATERS! Thanks!
Diane Robar	Gainesville, FL	2014-04-25	While I appreciate the effort to restore Silver Springs to a more natural state, I think the "powers that be" should not overlook the happy family place that WW represents to so many people in this area. We have few such places...don't want to lose this one!!

Megan McFatten	Orlando, FL	2014-04-26	Enjoyed great times there as a child. It shouldbe remodeled and opened up for the children. It's a shame it has been allowed to deteriorate.

D M D	West Plains, MO	2014-04-26	I grew up in Ocala. I remember when Wild Waters 1st opened! It's bad enough that Silver Springs Attraction was "so called remodeled" to be just a state park. To me, I enjoyed it when ALL the animals were there; you could go on different rides; feed the animals and so on. I don't think it's fair at all to take Wild Waters out/close it down. There's really NOTHING left in Ocala for families to do anymore.. PLEASE LEAVE WILD WATERS ALONE!!! Let Ocala have at least some kind of entertainment!!!
Donna Smallwood	St. Augustine, FL	2014-04-26	It's important for people to have a nice place for recreation!

sarah Wright	Ormond Beach, FL	2014-04-26	I grew up at this park. My 7 siblings and I would love to be able to bring our own children to ride all the wonderful slides.if you close it, it would be treating down a lot of people's memories.
Ashley Smith	Silver Springs, FL	2014-04-26	Wild Waters has been around since before I was born. I celebrated some of my birthday's there. I have memories of their that will last a lifetime. I would love to one day in the future bring my children and grandchildren there for fun in the sun. This Water park is so much more closer than going to be beach. Only thing better is to do some reconstruction on the slides to make them more safer. I would hate to see Wild Waters go to waste like you did with Silver Springs Nature Theme Park. I hope you make the right decision to not close the park down.
Dorothy Hosey	Ocala, FL	2014-04-26	This is a great place to take the children and I really am upset the park is not the same. I enjoyed going there and riding the boats and see the wildlife and learning about them. It was so educatoinal.

mary kalmbach	silver springs, FL	2014-04-26	its the only real summer time enjoyment people in Ocala have
Angela McEntyre	Ocala, FL	2014-04-26	I would love to see this restored and return full operation for our families. Too many changes in this county have only benefitted the horse industry. Do something for our young people and our families.
Tammy Carlton	Summerfield, FL	2014-04-26	It is a safe place for the kids to hang out and spend the summer with their friends. There is just not anything else in Ocala or Marion county for families to do for very little money. We need a place to go during the summermonths since they took away Silver Springs Attractions.
nancy mcgaheran	Ocala, FL	2014-04-26	I've been and even tho I'm older I enjoyed it and watching the children I could see they did too.
Bonnie livingston	Ocala, FL	2014-04-27	I used to take my children here until they were all old enough to go on their owns. Now I spend time here with them and my grandchildren.. I love this place...
Matt Turpin	Ocala, FL	2014-04-27	This water park means so much and has been a place that me and now my kids have visited

Raina Barnett	Ocala, FL	2014-04-27	I grew up with Wild Waters!
Laurie Perkins	Ocala, FL	2014-04-27	There is so little for kids to do in Marion county, why take away one more thing? I grew up going to Wild Waters, I want my kids to be able to also.
Anna Young	Ocala, FL	2014-04-27	Wild Waters has been a part of my summer vacation for so many years. I have been going since the summer of 86 and have added the memory to my oldest but I want it to be a part of my youngest too who has not gone yet. This is a big part of Ocala. I sure hope this wonderful park stays open for many more memories.
Kayla camp	Ocala, FL	2014-04-27	I have three kids who love n enjoy this place soo much please give themThere chance to have a great summer!!
lillian mas	Birmingham, AL	2014-04-27	It's a great place for families to take their children. I had season passes last year and it was wonderful. Ocala needs this place. There isn't enough entertainment in this city.
Sue Bruzdzia	Ocala, FL	2014-04-27	I have so many fond memories of this park from my childhood, and have been making new ones with my children. It provides a safe place for kids to play, it would be a shame to lose.
ERIC SEPTER	Gainesville, FL	2014-04-27	My mother lives minutes from the water park and when we come to visit if it is open we always speed some time there.
Kristin Henson	Ocala, FL	2014-04-27	There isn't enough attractions or places to go for children/young people/Families to get together and have FUN! Ocala is not growing like before and this is important to a lot of people! Plus it has been around Forever!
Paul Logas	Silver Springs, FL	2014-04-27	Silver River State Park and Silver Springs State Park offer ecotourism but Wild Waters is needed for our families in this area and visitors as well. Wild Waters is a water playground and allows families to play together. There is too little in this area for kids to do and losing Wild Waters is an afront to these people. It doesn't ALL have to be ecotourism.
Nichole Bailey	Ocala, FL	2014-04-27	What else are we going to do with our children during the summer?? Gas prices are crazy, we don't need insane trips every weekend. We need a local venue for cooling off.
Mary Hunter	Jacksonville, FL	2014-04-27	i grew up in Ocala this was a annual summer thing as a family. i now live two hours away and I still take my kids every summer
Kathy Rodriguez	Ocala, FL	2014-04-27	When I was younger I use to always come to this park in the summer time. Now that i'm older with a child of my own I want to bring him here to have fun as well.
Ana Estrela-Sweet	Ocala, FL	2014-04-27	It's one of the last few places Families can get together, safely with their kids and have fun.
Debbie Sheets	jacksonville, FL	2014-04-27	I have been going to wild Water since I was a kid. I have taken my kids there and now my granbabies. It is a fun place for kids and adults alike.H

Katy Hall	Melrose, FL	2014-04-27	We have no other water park near by. THIS is affordable and my kids love it!
Josh Rogers	Belleview, FL	2014-04-28	It gives people something to do while visiting the springs as well as campers staying at the campground.
Pat Duttlinger	Kissimmee, FL	2014-04-28	Raising 4 children in Ocala, Wild Waters was the perfect way to spend a Summer day. Between the Wave pool and the slides, the kids could not get enough of Wild Waters. Please, please, please, don't take that away from the children and families of Marion County. They don't need another drug or convenience store on that corner!
Carol Hersh	Ocala, FL	2014-04-28	PLEASE keep Wild Waters open, my boys enjoyed it while growing up and I would love for my granddaughter to enjoy summers at the park just like her father and uncle did. So many memories, not just for my family but for so many other family's in Marion County as well.
matt rutland	Ocala, FL	2014-04-28	I've been going to this water park since I was very little and made many good memories with family and friends. It means a lot to those of us in ocala and would be a terrible thing if it were to be closed.like the above mentioned there really isn't much to do in this town and it gets extremely hot in Florida during summer time and this is how we floridians deal with this kind of weather.please don't close wild waters.it has brought joy to so many children over the years.do you really want to take that away from the future generations?....thank you
Hayley Daughtry	Summerfield, FL	2014-04-28	I grew up coming here if it's closed nearest park is orlando or Daytona keep it local
Christina Barnhill	Ocala, FL	2014-04-28	While I understand that opening Silver Springs to swimming will add to the park, it will not replace the fun of Wild Waters. It will be expensive to repair and bring up to current safety standards but to tear it all down and close it is just wrong. Our community wants to keep our water park.
Jennifer Riddlebaugh	Lexington, SC	2014-04-28	My kids love Wild Waters! It's been around for years. IT can't close!
Laura Fitzwater	St. Joseph, MO	2014-04-28	Because this is my hometown that I grew up in and not only that, my husband helped build Wild Waters in 1980 before they even opened up. Please Keep it opened for the thousand of people who love to go there each year and for those who need employment as well. Thanks for your time.
DANIEL NEUMANN	OCALA, FL	2014-04-28	I know the park needs a makeover but our state and local governments waste millions of taxpayer dollars each and every year on stupid pet project and other garbage. Saving Wild Waters will not only continue bringing in much needed revenue to the area but will also create summertime jobs that will also stimulate the economy. And give the many residents and children of Marion and surrounding counties a place to take their families to cool off and have a good time. Family fun is what this area and the world needs more of.

Patricia Smith	Kerrville, TX	2014-04-28	This is very important to me because it is one historical in my eyes. Two I use to go here all the time with my family every summer until I was old enough to get a Job. And it was by far the BEST Job I ever had in my life. I Don't want to see this place where all these precious memories were made torn down!
Brittany Brewer	silver springs, FL	2014-04-28	With a town like Ocala with very little entertainment that is family friendly why would you want to close one of the only things we have?
kim boynton	Ocala, FL	2014-04-28	Only place for fun with your kids
Lynn Driskell	El Cajon, CA	2014-04-28	Cuss water parks are awesome and this one is a good one and should be kept open
ashlee clevenger	Floral city, FL	2014-04-28	I have been going to wild waters since I was 12 years old know I am 25 years old and have kids of my own I really want to take them to wild waters. this is a very fun place to go for family fun.... please don't shut this fun park down
sheila erickson	ocala, FL	2014-04-28	great water park here in ocala. the kids love it.
Michael Fallon	Ocala, FL	2014-04-28	The spring is too deep for small children, and no slides! Keep Wild Waters!!
devonna rusk	ocala, FL	2014-04-28	becuase its good for the kids and lots of prople that have not been want to go still
Sherry Goodspeed	Ocala, FL	2014-04-28	There is nothing here for kids in Ocala, and now you want to take the last thing that may keep kids off the streets for summer time?
Petronilla bholaisingh	ocala, FL	2014-04-29	for my children
Michael Feher	anthony, FL	2014-04-29	The kids of marion country deserve some were to go. My kids loved it and so do my grandkids
Lizzi Kintz	Reddick, FL	2014-04-29	I was a lifeguard at Wild Waters and I KNOW how many people love Wild Waters and do not want to see it close.
Ashley Frederick	Hawthorne, FL	2014-04-29	I have been buying season passes to wild waters for over 20 years. Some of my fondest memories involve that park. We have hardly any attractions near home and wild waters is always the place to be. Please don't close our park!
Aldea Moore	Ocala, FL	2014-04-29	All my children, nephews, nieces and other family memebbers have gone every summer to the park and they are taling about making it ecologically sound but saying they are going to remove it and add retail shops, what in the world is ecological about stores? Make people who can't afford to and have no means to go anywhere ie, Orlando or other long distance destinations, it is the only place people have anywhere near here! Many many summer programs utilize the park and are the only oppurtunity many children have to experience anything like it. Even if the offer swimming at Silver Springs it is not at all the same, they have offered swimming there before, the drop off and the freezing temperatures of the water

Name	Location	Date	Comment
			make it unsafe and unpleasant especially for young children, there will be only a few who will utilize it while Wild Waters can be utilized by almost the entire population! It's typical of the people in charge they care nothing about the people of this town's needs they are not economically strapped they have
bianca dipalo	Ocala, FL	2014-04-29	the children of ocala have no entertainment to enjoy here in ocala as it is so now in the summer they cant even enjoy wild waters anymore! so sad so what will they be replacing this with for our little kids to enjoy. probably nothing, :\
April King	Ocala, FL	2014-04-29	Wild water has been around as long as I can remember. The place has been horribly let go and is by no means as nice as it was 15 years ago. There used to be arcades, character drawings, face painting. The place is run down and dirty. However it is a part of Ocala and all of us. I'd love to want to take my kids there. Instead of tearing it down, they need to put some money into it and make it an amazing water park like Aquatica, or Wet n Wild. Make it better than those and make some money. People will pay if they'd just clean it up. I know I would.
stacy crower	Ocala, FL	2014-04-29	The youth need somewhere to go in the summer that is safe. I also wish that it was more of a free public water park, so that all could enjoy and there could be a small price that would cover security to keep out the drug dealers and child perps. Beautify Ocala, Please don't strip even more. and the business owners in that area count on the business from that park
Jan Williams	Trenton, FL	2014-04-29	I believe this is the first step to completely closing the springs to the public. Don't let government win again!!!!
Rebecca Priest	Weirsdale, FL	2014-04-29	IF Wild Waters is closed, there is NOTHING like this in our local area for families to spend quality time together. Family First!!!
Teresa Greene	Jacksonville, FL	2014-04-29	I Love Wild Waters & It Needs some TLC, And it's the BEST & SAFEST FAMILY PARK IN SILVER SPRINGS/OCALA. SO, LET'S KEEP IT ALIVE !!!
judy darby	OCALA, FL	2014-04-29	Great enjoyment for all ages alike, don't close wild waters, Ocala needs this water park, a lot of us don't have swimming pools, socializing with family and friends, comes into to play also, not counting summer time employment. Restore and Reopen WILD WATERS, ASAP !!!!!
Terri Sulter	ocala, FL	2014-04-29	There is nothing for kids to do here in ocala. We can at least keep this going. This town is terrible for young people and family's to live here because of lack of activities. Sad to see that silver springs in ruins. Once a beautiful park and now it's abandoned.
Jessica Mikell	Ocala, FL	2014-04-29	Wild Waters is a staple for Ocala, SAVE the WWWaves!!!!

Darleen Lloyd	Hollister, FL	2014-05-03	Loved wild waters when I was a kid. I went there all the time during the summer. Great memories.
K. L. Tanney	Ocala, FL	2014-05-04	I have children and grandchildren who have enjoyed swimming at Wild Waters. You will be taking away a place where families xan enjoy time together, make family time (grossly needed in this day and age), and don't forget the summer time jobs that will no longer be available. I have lived her for almost 50 years. The kids look forward to it each summer! KEEP WILD WATERS!!!!!!!!!!
lori farmer	Levittown, PA	2014-05-04	I lived in fla all my life until moving out of state. I remember wild waters, silver springs,& six gun territory. The 1st park to go was six gun then silver springs now you bwant to take away the water park too. It's bad enough that the kids have no where to hang out now. The children need to have these places to go to if not they will be on the streets doing who knows what! KEEP WILD WATERS OPENED

			kids to do on a hot summer day. I don't mind my tax dollars paying for all the natural outdoor stuff, nor would I mind them paying for something else to do. It always seems busy when they are open. Which shows a need and want for such a park. What a shame it would be for a generation of kids to miss out on.
Karin Cushenbery	Ocala, FL	2014-05-06	Because I have children!

Its bad enough silver springs was taken away from us which my family and I had a blast during the summer time concerts but now taking this away leaves us pretty much with nothing left. This was an affordable fun safe place for all....if you want nature go to the national forest, not everyone enjoys nature..our children need fun things to do in this town something besides finding trouble..
TylerAnne Hall	Ocala, FL	2014-05-07	Wildwaters has always been fun and enjoyable, i love it even though it's not as big as say wet n wild but it's nice to be able to have somewhere fun to go in the summer in your hometown

CRISTIN GIBSON	OCALA, FL	2014-05-19	CHILDREN HAVE NO PLACE TO GO FOR WATER PLAYTIME.
Stevie Pereira	Ocala, FL	2014-05-19	I don't have kids, But we need this for the Children of Marion County, In Monroe County Florida everything but the Sports have goon all because of Tourist attacrations Condo's Motel's ETC, and what we had for the kids have vanished. That is why they should keep Wild Waters, its for the Local Kids who need it.

Most people have to drive to Orlando for something like this, and we have it right in our own backyard! What a superb outing for all ages!

Madeline givens	silver springs, FL	2014-05-25	This was one of the most enjoyable fun activities in the Silver Spg & Ocala area. My children, grandchildren and myself have enjoyed for years. Do not close this water park. It gives the children in this area something to do each summer, good clean fun and keeps them on the good side of things.
James Jackson	Jacksonville, FL	2014-05-25	My wife and I both have always came here on an annual basis since we were kids. This is a very fun Family atmosphere, Which we could use more places like this to help promote physical wellness as well as personal interaction in a public place. Wild Waters has always provided the best experience and when you left you were exhausted from fun. Florida shouldn't be able to deny this experience. We should promote this for a better form of exercise upon visiting and exploring the park. Wild Waters has excellent picnic areas that are well shaded. You can leave all of your things on tables and no one bothers them as there is security on hand, and it just doesn't happen. I would not like to see the park leave. I would like to see it restored to a new park if anything. Everyone knows Wild Waters in Ocala. Anything I can do to help, I will to keep the park open. Charles Bell	Holly Hill, FL	2014-05-26	The people are losing too many venues because rich people don't attend.
William Marlin	Silver Springs, FL	2014-05-27	We need a Water Park for our children and families
BRIAN KELLER	Ocala, FL	2014-05-29	it's the only water park in ocala, and plus i like to go to wild waters on a hot day while waiting for the concerts to start at silver springs when i have the money to go. i also live very close to wild waters i live like 5 minutes away from the park. all i ask is if this does keep the park open is to lower the prices just a little bit make it a little bit easier on people's wallets
McCaela Fawson	Carthage, MO	2014-05-29	I was a lifeguard at wild waters and as many others it was my first job. Need to keep this as it gives jobs to high school students for the summer and it keeps them out of trouble and gives them money to save for college.
Joan Murphy	Ocala, FL	2014-05-30	a great local park for my son to enjoy.

Jade Floyd	Alachua, FL	2014-05-30	Great waterpark, excellent location.
Amanda Dunbar	Silver Springs, FL	2014-05-30	Because this has been part of my life for years. Also because the children in the surrounding area don't have anything else to do, Ocala caters to old people! We need to cater to everyone's needs!!
mary miller	ocala, FL	2014-05-31	Kids need something to do!
Kim Martin	Elkhart, IN	2014-06-01	I Went to Wild Waters all the time when I lived there growing up. When I return to visit my mother, my kids love to visit wild waters. I really don't see why they would want to get rid of it, since it actually draws tourists to the area that will then realize the other nature geared parks are available and visit them too!
Virginia Adkins	Oviedo, FL	2014-06-04	I grew up in Ocala and I have a lot of memories of Wild Waters. I want my children, nieces and nephews to have the opportunity to make those same memories. I never understood why they closed the skating rink in Ocala when I was a kid but it devastated every kid that lived in Ocala. Please don't do that again. If you want kids to stay out of trouble they need places to go and something positive to do. I guess the state of Florida would rather their children spend the summer on the internet with no physical activity or a safe place to hang out with friends. This makes no sense to me. Shame on Florida. This is why I moved out of Ocala to raise my family.
Vikki JENNINGS	FORT MC COY, FL	2014-06-04	This is my childhood landmark. Wild Waters is very important to this community. Please save Wild Waters, Marion county needs this park.
Jean Kelson	Starke, FL	2014-06-04	Don't take away one of the few things that keeps kids off streets in Ocala. Wild Waters is fun for kid's of all ages.
Dawn Crowe	Ocala, FL	2014-06-05	My son and me love to swim there
Alicia Livernois	Tampa, FL	2014-06-05	I grew up spending my summers at Wild Waters. My first job was a lifeguard at Wild Waters.
Marilyn Stenback	Ocala, FL	2014-06-05	Because this is the only thing that is here in Ocala for our kids to do and stay out trouble .
Tom Neaman	Crystal River, FL	2014-06-09	To continue to be available for my grandchildren
Rhonda Messer	ocala, FL	2014-06-10	The kids have nowhere else to go swim and have fun! We don't want to swim in another spring, we want wavepools and slides! Especially the younger ones. We love Wild waters!
Steve Thrasher	Williston, FL	2014-06-12	Great place to go without having to drive far.
Stephen Thrasher Jr.	Williston, FL	2014-06-12	I grew attending Silver Springs and Wild Waters hate to see it go away.
Christopher Weston	San Antonio, TX	2014-06-13	I grew up in Ocala. Wild Waters is one of the few vivid happy memories I have from my childhood. I simply cannot imagine depriving other children of this landmark family facility.

David Prater	Enterprise, AL	2014-06-13	I am 40 years old and can still quote "Everybody...grab your rafts...cause here come...the Wild..water...WAVES!" I brought my kids there when they were born in Ocala as well. I am currently in Afghanistan and just ran into somebody on base that had a Florida shirt on. We spoke for a few minutes, told him I was from Ocala. His first response was "Oh...Silver Springs and Wild Waters?" It's one of the most symbolic, if not the most, areas that people still associate with Ocala. Don't take away a memory that has affected hundreds of thousands of people over the past 36 years. Thank you.
kaylie prater	Melbourne, AL	2014-06-13	This is a historical landmark in Ocala. I grew up going there and I continued to take m
Craig Voorhees	Ocala, FL	2014-06-13	I grew up going to wild waters and i want my kids to go an experience it too.
leah szeluga	ocala, FL	2014-06-13	it is an chance to get and do something fun with family and friends. and a very good way to get tourist around Ocala to do something fun and help support the economy for florida. plus it is also a very important part of our lives, I would hate to see another park of ours go to waste like silver springs did when the state took over.
coe green	ocala, FL	2014-06-19	its the only place to take your family on a buget not much money and it be fun for them so they can make memorys of there own please keep it open
Olif Lindsey	Beverly Hills, FL	2014-07-04	A good place to go for the summer with the grandkids
Brian Gajewski	Ocala, FL	2014-07-24	It would be an incredibly bad decision for our local economy to remove Wild Waters. Silver Springs park has been stripped down to being just be a 1 or 2 hour attraction. Wild Waters makes the trip a full day activity for the family. Ocala needs something for kids -- and I've never met a kid who would rather swim in a lake than ride a water slide. Not just that, but the filtered water in Wild Waters is far safer to swim in than Spring/Lake water due to the presence of Naegleria fowleri. Wild Waters must stay. Orlando is just too far to drive for a water park.
Jessica Marr	gainesville, FL	2014-07-26	Because even though I live in Gainesville, I have enjoyed many hours at Wild Waters and I don't want it to be closed. It is the only water park in the area!
Natasha English	Dover, DE	2014-07-30	It is a very special place. Have alot of great memories there and it should not be demolished.

Connie Beringer	Belleview, FL	2014-12-09	I don't want you to close.
Leo SAALFELD	Saint Augustine, FL	2015-01-03	I'm signing because I believe Wild Waters is one of the best parts of Ocala. It provides fun and healthy activities for children and adults. With the right support and restoration I'm sure it could thrive again.
Amy Durden	Bell, FL	2015-01-13	Wild Waters has always been a great place to have family fun. Who doesn't love Wild Waters?

Mandy Luckenbaugh	florida, FL	2015-03-29	There nothing for kids to do in ocala
bonnie eatmon	Ocala, FL	2015-03-29	As a child I enjoyed coming to wild waters every day of the summer with my mom and dad. I would like to continue that tradition with my children. It is wrong that a bunch of unelected people think they can just decide what's best for our city. We the people, what we want should matter, not the ones that probably didn't even grow up here and certainly don't care what we want.
Amanda Harvey	Hawthorne, FL	2015-03-29	I've been going to this park since I was a kid and want my kids to be able to go.
Quechanna Ford	Gainesville, FL	2015-03-29	I have childhood memories made at this park. Now as an adult, I enjoy taking my children. If I would have know that 2014 was going to be the last time I would be able to enjoy the park I probably would have never left. Right now it's the only affordable water parks for families on a budget. In this economy who can afford to park up their family & travel over 290 miles to spend a months wages on an over crowded water park, when there's a perfectly good one right in our back yard.
Deb Steffen	Williston, FL	2015-03-30	I do not agree with the bureaucratic crap to close this park!
Wyll Dickenson	Jacksonville, FL	2015-03-31	I'm signing because this was my first job out of high school. I learned so much about life and gained some awesome role models from this place. Please don't close it down. There are thousands of lives that will be affected negatively by eliminating Wild Waters. This is truly an escape to a better place in the summertime for children with tough home lives.

Melissa Taylor	Silver Springs, FL	2015-04-09	I've spent every summer there since 2006. He is going to be 16 and still enjoys with his friends. I like to go and lay in the sun and use the wave pool to cool off. There are so many families, especially with younger children, that really enjoy it as well. Certain times in the summer it gets dangerous to go to lakes because of the amoebas so they can't go to too many places with water activities. It is also a great place to get the kids out and not just sitting at home in front of the tv with video games.

Melinda Schlick	Ocala, FL	2015-05-03	I have 2 sons. One is 2, the other is 1. As a child myself i grew up going to this park nearly every summer. My fist time down a water park slide was here in my home town Ocala at Wild Waters. I want my 2 sons to grow up with the same experience and memories. This park is historical, we cant lose sight of its natural beauty and what it stands for.
Autumn Feehley	Ocala, FL	2015-05-03	I've lived here since I was 2,know have 3 girls,who love going to wild waters,there isn't much. To do in OCALA for all the kids here,they already took Silver Springs and the animals and fun stuff there away,Please don't close Wild waters,it would devastate lots of families that can't afford to go to Orlando to a water park,please if need be just fix it up a little,add a couple rides,I'm sure Wild Waters would make even more money if y'all did that.So many people,families,kids enjoy it,its nice to be able to have a place like that to go to right Down the street..Please reconsider on just fixing it up,NOT closing it.Thank you

This is the one place in Ocala that we can all enjoy a family day together, and those days are few and far between when children grow into their own lives with school, friends, and jobs. This is also a historical part of our community that we love, please don't take that away. Change isn't always better in this case.

John Westbrook	Ocala, FL	2015-06-11	I want to preserve the water park.

Cheryl Heilig	Ocala, FL	2015-07-15	to save wild waters, and I wish you would bring the attraction back to the way they were. It was way more family orintated then.
Connie Kines	Ocala, FL	2015-08-03	It has so many memories from the ppl who was born here like me it's a part of history so why?
Brent Arnold	Saint Petersburg, FL	2015-09-02	I lived in Silver Springs and removing that park will remove a vital lifeline from the community.
John Doe	Limon, CO	2016-04-01	Close this stupid water park down! Waste of money and space. It's a piece of garbage. Nobody wants to swim in a pool with crap and dirty people.
Elizabeth Vernon	Gainesville, FL	2016-05-30	Wild waters is a great family park. Me and my kids love this place.
jessica kross	Ocala, FL	2016-06-03	Wild waters is my family's favorite place to go in the summer. Silver Springs was taken from us, please don't take this too! There isn't much for kids to do in ocala as it is! This gives them something to do and keeps kids out of the trouble they can get into when they are bored.

Gareth Iles	Bournemouth, England, UK	2016-06-04	I love holidays to Florida and wild waters is a huge part of why I come. Have loved coming here for years. It will be a huge shame to see it go.
Amber Porter	Ocala, FL	2016-06-09	I spent my childhood here at Silver Springs/Wild Waters. Both parks have so much potential to be brought back to life!! If we could all save the park, it can really become a popular attraction again. For the sake of the people, please don't get rid of Wild Waters, but instead, make it better than before!
Teresa Jordan	Ocala, FL	2016-06-25	I don't want to see the last thing go away that I enjoy doing. It is safer for young children then taking you chance in mother nature habitat.
Jeremy Johnson	Ocala, FL	2016-06-27	This park has given my family and I many fond memories over the years. If some time and money were put in to wild waters, it could be extremely successful. As it is, run down from neglect and lack of care from whoever is running it now, people still are showing up in large numbers and enjoying what's left of this once great attraction. There are already many nature parks and playgrounds all over the county, so turning this water park in anything else in my opinion is very redundant. We can not give up on this endeavor!

So it would be great if they kept Wild Waters open and maybe fix it up a little bit. A lazy river and a new slide would make a great addition, but even staying open as is would be awesome!
John Celebre	Ocala, FL	2016-08-10	It's one of the few attractions we have in Ocala. A great place for families and especially kids in the summer. Reasonably priced. Why not alter it somewhat to fit in with Silver Springs Park. Similar to Disney's old River Country.

Ashley Snyder	Saint Petersburg, FL	2016-08-10	I grew up in Ocala, this was this was the meet up spot of all the kids when I was younger. It was a safe place where we all had a lot of fun and we're able to see each other again. Although I do not live in ocala anymore I have family that do and wish to take my kids there ad experience the joy I also did as a child there. More importantly for the people that are living there and there friends and family to get a chance to experiance the fund sunny days there. Ocala doesn't offer many water attractions and especially in that area and it was always a hit!
Lawrence Eason	Ocala, FL	2016-08-11	I live here. Attractions that make our communities unique are disappearing. The people, ordinary people, deserve to have these treasures preserved for us and our children. What future will we have without these cultural icons...shopping malls and condos to look at instead of our entertainment parks. How sad.
